DETAILED ACTION

- This action is responsive to the following communication: an Amendment filed on 3/2/06.

Response to Arguments

Applicant's arguments, see page 9, filed 3/2/06, with respect to claim 1 have been fully considered and are persuasive. The prior art rejection under 103(a) of claim 1 has been withdrawn.

Allowable Subject Matter

Claims 1-8, 10-19, and 22 are allowed; renumbered as claims 1-19.

The following is an examiner's statement of reasons for allowance: The cited prior arts (US 6707566 and US 6552813) of record teach a method and apparatus for multicasting document printing, but the cited prior art of record fail to explicitly teach and/or suggest:

- dividing the number of copies into a first batch associated with a first multicast group of at least two corresponding, separate printers and a second batch associated with a second multicast group of at least two corresponding, separate printers;
- allocating, from the first batch, first subsets to each of the at least two corresponding, separate printers of the first multicast group;
- allocating, from the second batch, second subsets to each of the at least two corresponding, separate printers of the second multicast group,
- multicasting the entire first print job to the first multicast group and multicasting the entire second print job to the second multicast group, and in combinations of other features as cited in independent claims 1, 10, 16, 22 (see Examiner's amendment for details) The examiner found neither prior art cited in its entirety, nor based on the prior art, found any motivation to combine any of prior arts that teaches the above limitations and in combinations of other features cited in independent claims 1, 10, 16, 22 (see Examiner's amendment for details).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee.

Art Unit: 2625

Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
